DIRECTIONS

Please visit <https://umbc.tc/firstday> and provide your name and an email address that you can access from wherever you are taking the course. If you have previously taken a UMBC Training Centers online course and used the first-day link please enter the same name and email. Using different information will create duplicate entries in our system. This will register you for the class and enable us to assign any course materials to you in digital format, if needed. You will **not** receive a confirmation email once the form is filled out and you will **not** receive future marketing emails. **Please be sure to select the correct course name & instructor listed above.**

If you experience any difficulties, please email dodhelp@umbctraining.com and a member of our team will respond as soon as we can to address your needs. Make sure to identify the instructor and class name in the email.
